

The AFES Secretary, Dave Jackson (Baker-RDS) has had to step down due to a transfer to Kuala Lumpur. Callum Anderson of ConocoPhillips has been nominated as replacement Secretary with immediate effect.

AFES started 2011 on 12th January 2011 at the Station Hotel; Aberdeen with a presentation by Simon Stromberg of Senergy entitled "From Monte-Carlo to Bayes' Theory. The Role of Uncertainty in Petrophysics."

Over 30 AFES members met up after the Xmas and Hogmanay celebrations to hear an interesting presentation on the various methods of statistical analysis used in petrophysics. The meeting was followed by refreshments sponsored by Senergy.

On 2nd February 2011, long time AFES member Geoff Lamb, Independent consultant, gave an interactive presentation to 20 AFES members on the use of production logging techniques to detect fluid flows and leaks in the wellbore. The presentation was entitled "Flow from temperatures to find leakages by Z and T shift".

The 2011 lecture season continues with a variety of meetings planned for

9th March 2011 - Adriaan Gisolf, Schlumberger will present "Real time integration of reservoir modelling and formation testing". This meeting will be held in the Station Hotel, Aberdeen and start at 18:00 for 18:30. Light refreshments will be served.

30th March 2011 - An afternoon visit to the Weatherford logging training facility, at Bridge of Don, Aberdeen, to examine various logging tools has been arranged. Numbers are limited so please pre book via the website to avoid disappointment.

6th April - Professor Patrick Corbett of Heriot Watt University will return to deliver a half day seminar entitled "Well Testing for Reservoir Description". The seminar starts at 12:30 at the station Hotel and light refreshments will be available. Again numbers are limited so please pre book via the website to avoid disappointment.

Please visit the AFES website for further details

Later in the year,

Finally, DEVEX 2011 will be held on 11th -12th May, 2011 at the Aberdeen Exhibition and Conference Centre. The title for this year's meeting is "Sharing Solutions for Mature Basin Development". DEVEX is organized jointly by AFES, PESGB, SPE and DECC. Please visit the DEVEX 2011 website at www.devex-conference.org for further details.
