

# Application for MSc Bursary

Please note – this form is to be submitted by MSc students who have a petrophysical element of their MSc project and who wish to be shortlisted for the AFES bursary. Any awards will be at the discretion of the AFES committee. Funding is intended to be used by the recipient on relevant expenditures, e.g. travel expenses, field trips, conferences, living expenses etc.

Applications will be accepted from the 1<sup>st</sup> April 2016 to the 30<sup>th</sup> September 2016.

For more information visit <http://www.afes.org.uk/student-funding/>

Name	
E-mail	
Phone	
University	
University address	
Supervisors' names and email addresses	
Your previous degrees	(please describe your first/second degrees – which university, what degree awarded, grade and dates)
Relevant employment history	(please give brief details of where, when, job title etc.)
MSc project title	(if you do not yet have a title please include a one line description)

**Please give details of your current subject of study** (what is the aim of the MSc project, what datasets are you working with, which company is supplying the data etc.)

**Please give details of how petrophysics forms an important part of your studies** (i.e. how you are using core/log data etc.)

**Please give details of other funding you are currently receiving** (i.e. sponsorship for the MSc course and if you are doing your project as part of a paid internship)

Please be aware that AFES would like you to present a poster at our Annual General Meeting in October. We would also like to encourage your attendance to our lectures and our events. Above all, we would like you to keep in touch!

Please complete and send this form along with your **current CV** and a covering email to Nicolas Backert [backert\\_nicolas@hotmail.com](mailto:backert_nicolas@hotmail.com)
